

Tap into a power that leads to happiness, health and success!

“Positive Power Secrets from A to Z” is an inspiring look at the power of positive thinking and the Law of Attraction. For each letter of the alphabet a number of key concepts and affirmations (in quotes) are presented. Actions are suggested but you will pick the paths and prose that suites your personality and purposes. In addition, I have included a list of other authors and motivating people in the field.

This book is dedicated to blessings and building people up and it is my hope that “Positive Power Secrets from A to Z” will do both for you!
